

LESS FLAMMABLE

GENERAL RULES FOR LESS FLAMMABLE PLANTS. Keep mature, less-flammable trees for shade. Crowns can be touching. Shrubs should be no closer than 6 feet. Ground covers should be no closer than 5 feet-farther if siding is relatively flammable or ground cover is over 1 foot high.

ACKNOWLEDGEMENTS

The photographs in this publication were gathered from various sources. All copyrighted photographs in the publication were used with the permission of the photographers.

The Tennessee Division of Forestry appreciates the significant contributions of Professor Wayne Clatterback and Urban Horticulture Specialist Beth Babbit of the University of Tennessee with identifying plants to include in this guide. In addition, Annie Hermansen-Baez of the USDA Forest Service's InterfaceSouth provided assistance in locating photographs and provided the basic template of the Guide.

STATE OF TENNESSEE – POLICY OF NON-DISCRIMINATION

Pursuant to the State of Tennessee's policy of non-discrimination, the Tennessee Department of Agriculture does not discriminate on the basis of race, sex, religion, color, national or ethnic origin, age, disability or military service in its policies or in the admission or access to or treatment or employment in its programs, services or activities.

Equal Employment Opportunity / Affirmative Action / ADA inquiries or complaints should be directed to the Tennessee Department of Agriculture, EEO / AA / ADA Coordinator, P.O. Box 40627, Nashville, TN 37204, (615) 837-5115.
