

'Twas a few weeks before Christmas, and all through the community, many were there laughing and singing. Although it's been said, many times, many ways...this is what community memories are made of. Seeing is believing, but sometimes the most real things are the things we don't see. Thank you EVERYONE who helped make this a most wonderful year. Now snuggle up together, like two birds of a feather would be. All is calm, all is bright

CL Activities committee is ready for a long winters nap 🌲 Merry Christmas & Happy New Year! 🎉
