Dear Cumberland Lakes Property Owners,

12-31-2023

As our community grows, the Board of Directors needs to review and evaluate our governing documents. In 2023 the Board reviewed the Covenants and Restrictions and determined that clarification and updating was needed. One section that was addressed is Short Term Rental Restrictions and the other is Parking as related to vehicle restrictions. Both received a unanimous vote by the Board to accept. These two are listed below as published policy statements. Please take the time to read through them.

I have included the section from our Covenants and Restrictions that sets forth the action the Board followed to enact these policy statements. These policies will be included in the next C&R membership review and vote for addition to the Covenants and Restrictions.

Covenants and Restrictions Section 9.20

Additional Rules and Regulations. The Board may establish such reasonable additional rules and regulations as may be deemed to be for the best interest of the Association and its Members, with a positive vote of at least two thirds (2/3) of the total current number of Board members. Such rules and regulations shall be included in the Bylaws or a published policy statement.

Short Term Rental Restrictions

Single family residential homes may be rented only in their entirety, no fraction or portion thereof. Existing contracts as of March 1st 2023 will be grandfathered. At the end of any existing contracts these restrictions would be followed. All leases shall be in writing and for a term of no less than (6) six months, except with prior written consent of the Board of Directors. Notice of any lease, a copy of the lease, and any additional information that may be requested shall be submitted to the Board by the owner of the property within (30) thirty business days prior to approval. If approved, the property owner shall submit a signed copy by both the property owner and lessee matching the original Board approved lease prior to the execution of said lease. The property owner must make available to the lessee a current printed copy of Amended Covenants, Restrictions, and Bylaws. The property owner shall provide a signed acknowledgement of receipt by lessee of the Amended Covenants, Restrictions, and Bylaws. The property owner will be responsible for any and all actions that violate the Bylaws, Covenants, and Restrictions by the lessee and any and all fines or property damage by lessee. The lessee or the property owner cannot sublease the remaining part of a lease if terminated early for any reason. No single-family home or portion thereof may be used as a hotel, motel or any type of short-term rental lodging such as a B&B or Air B&B.

In any event, any subsequent Association shall not be liable for any actions or defaults of, or obligations incurred by, any prior Association, except as same may be expressly assumed by the subsequent Association.

1.3 **Board** means the Board of Directors of the Association.

1.4 **Bylaws** means the Bylaws of the Association, as amended from time to time.

1.5 **Charter** means the Charter of the Association, as amended from time to time.

1.6 **Common Expenses** mean all expenses of any kind or nature whatsoever properly incurred by the Association, including, but not limited, to the following:

1.6.1 Expenses incurred in connection with the ownership maintenance, repair, improvement or operation of the common properties, or any other property to be maintained by the Association as provided in this declaration, including, but not limited to, utilities, taxes, assessments, insurance, operation, maintenance, repairs, improvements and alterations.

1.7 **Common Properties** means the property described as Common Property in the Original Declaration, including, but not limited to, and any other real property and properties on any recorded plats, whether improved or unimproved, or any easement or interest therein, now or hereafter owned by the Association, or which is intended by the Association, to be owned by the Association, or which is dedicated to the Association any recorded plat of any portion of the subject property, or which is declared to be a common property by this declaration. Common properties shall be dedicated and set aside for the following uses, including but not limited to, parks, open areas, greenbelts, lakes, docks, dams, recreational facilities, community centers, administrative offices, any other pertinent structure, roads,

Use of the common properties shall be restricted and devoted to the common use and enjoyment of the owners of the Subject Properties.

1.8 **Common Surplus** means the excess of all receipts of the Association over the amount of the common expenses.

1.9 **Declaration** means this declaration, as it may be amended from time to time.

1.10 **Factory-Built Homes** - Factory-Built Homes as defined by the Manufactured Housing Institute are as follows:

1.10.1 **Modular Homes** - applies to factory-built housing that is ordinarily 85 to 95 percent complete when the unit leaves the factors. Modular homes usually consist of two or three-dimensional boxes that are shipped complete (or nearly complete) from the factory and are connected together on the site. Units may be single or double sections. These units are required to conform to state regulations and local building codes that are in effect where the unit will be located. The advantage of modular homes is reduced construction time on the site and lower costs than conventional homes.

1.10.2 **Panelized Homes** - applies to factory-built housing that is composed of prefabricated panels built in a factory. The panels contain whole walls including interior wiring and exterior siding. State regulations and local building codes that are in effect where the unit will be located govern construction. The advantage of panelized homes is the quality control provided by factory assembly and faster completion time of the unit.

1.10.3 **Pre-cut Homes** - applies to factory-built housing that is constructed on site from material cut-to-fit and finished in a factory. Pre-cut homes include kit, log and dome homes. These units are required to conform to state regulations and local building codes. The advantage of the pre-cut home is the quality control provided by factory assembly and faster completion time of the unit.

1.10.4 **Mobile Homes** - applies to manufactured housing units built before the Federal Manufactured Home Construction and Safety Standards, also known as the HUD Code, went into effect in June 1976.

1.10.5 **Manufactured Homes** - applies to factory-built housing that is 98 percent complete when transported to the home site. Housing units are produced in single or double sections. On average, it takes 108 hours to build a single manufactured home. Manufactured homes are required to comply with the HUD Code. Manufactured houses are preempted from following state and local building codes because of the chassis substructure that enables transportation and allows interstate travel. In contrast to state regulations and local building codes, which typically prescribe material systems for certain construction types, the HUD Code is performance based and provides only standards for strength, transportability, fire resistance, energy efficiency and quality for conformance. No manufactured home may be shipped from the factory unless it

complies with the HUD Code and is released for shipment by an independent third-party inspector certified by HUD. Of the factory-built housing, 66 percent is manufactured housing.

1.11 **Institutional Lender** means the holder of a mortgage encumbering a lot, which holder in the ordinary course of business makes, purchases, guarantees, or insures mortgage loans, and which is not owned or controlled by the Owner of the lot encumbered. The term lots shall include any other improvements located upon or within the lot. Lots grouped together in accordance with amendments 3 and 4 (attached) are considered a single lot for purposes of this declaration, provided, however, that this definition is subject to the terms and provisions of the Fourth Amendment to Declaration of Covenants and Restrictions at Deed Book 358, page 369, et seq., which Fourth Amendment is dated December 4, 2000, and is of record at Book 1067, page 1029, et seq., Register's Office, Cumberland County, Tennessee, and further provided, however, that this definition is subject to the terms and provisions of the Third Amendment to Declaration of Covenants and Restrictions at Deed Book 358, page 393, et seq., which Third Amendment is dated June 9, 1998, and is of record at Book 1023, page 752, et seq., Register's Office, Cumberland County, Tennessee.

1.14 **Member** shall mean a person who owns at least an undivided one-half interest in a lot at Cumberland Lakes, provided that any person or entity which holds such interest merely as a security for the performance of an obligation shall not be a Member. There shall be no more than two (2) members per lot. The memberships associated with lots owned by a corporation, partnership, limited liability company, limited partnership, or an entity other than a natural person, shall designate up to two (2) persons who shall enjoy the privileges of membership for a lot so owned.

Should the cost of additions, alterations or improvements, or any purchases of personal property exceed one and one half times the total annual assessments in any given fiscal year for common expenses payable by all of the Owners, such expenditure must be approved by a majority of the votes cast by the members voting at a meeting called for this purpose, or on a ballot submitted for this purpose. Approval shall not be required with respect to (i) expenses incurred in connection with the maintenance or repair of existing common properties; (ii) expenses incurred in connection with the maintenance or repair of personal property presently owned by the Association; and, (iii) the replacement of personal property, or repair and maintenance of Common Property, the expenditures for which do not exceed one and one-half times total annual assessments.

When an approval or action of the Association is permitted to be given or taken, such action or approval may be conditioned in any manner the Association deems appropriate, or the Association may refuse to take or give such action or approval without the necessity of establishing the reasonableness of such conditions or refusal, except as herein specifically provided to the contrary.

4.6 Management and Service Contracts. The Association shall have the right to contract for professional management or services on such terms and conditions as the Board deems desirable in its sole discretion, provided, however, that any such contract shall not exceed three (3) years and shall be terminable by either party without cause and without payment of a termination or penalty fee on ninety (90) days or less written notice.

5. ASSESSMENTS FOR COMMON EXPENSES.

5.1. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the residents in The Properties and in particular for the improvement, operation and maintenance of properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Properties including but not limited to, the payment of taxes and insurance on the Common Properties, and repair, replacement, and additions thereto, and for the cost of labor, equipment, materials, management and supervision thereof, as well as for the purpose of payment for drainage maintenance and, where applicable, taxes assessed by a governmental entity.

5.2. Determination of assessments for common expenses. Not less than thirty (30) days prior to the beginning of each fiscal year, the Board shall adopt a budget for such fiscal year which shall estimate all of the common expenses to be incurred by the Association during the fiscal year. In determining the budget for any fiscal year, the Board may take into account Common Properties, lots and additions to the subject property anticipated to be added during the fiscal year. The Board shall then establish the assessments for common expenses per lot, which shall be equal to the total amount to be assessed for common expenses pursuant to the budget, divided by the total number of lots within the subject property. The Association shall

then promptly notify all Owners, in writing, of the amount, frequency, and due dates of the Assessments for Common Expense per lot.

5.3 Determination of Special Assessments. Subject to the provisions of Section 2.4 of this Declaration, if an expenditure of funds is required by the Association in addition to funds produced by the regular assessments for Common Expenses, the Board may make special assessments for common expenses, which may include assessments to provide funds to pay for an existing or proposed deficit of the Association, or for any additions, alterations or improvements to any Common Property, or for any other purpose (Section 2.4 of this Declaration limits the Association's ability to expend funds without member approval). Special assessments for Common Property shall be levied in the same manner as hereinbefore provided for regular assessments for common expenses and shall be payable in one lump sum or as otherwise determined by the Board in its sole discretion as stated in the notice of any special Assessments for Common Expenses.

5.4 Responsibility and Purpose. The Owner(s) of each Lot shall be responsible for the payment of assessments for common expenses or other assessments to the Association as hereinafter provided. Said assessments shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents in the subject property and in particular for the improvement, operation and maintenance of properties, services and facilities devoted to this purpose and related to the use and enjoyment of the common properties including, but not limited to, the payment of taxes and insurance on the common properties, and repair, replacement and additions thereto, and for the cost of labor, equipment, materials, management and supervision thereof, as well as for the purpose of payment for drainage maintenance, and where applicable, taxes assessed by a governmental entity.

5.5 Notice and Due Dates. The notice to all Owners, of the regular or special assessment and due date for common expenses per lot, should be mailed first class to the last address supplied to the association by the owner(s). In no event shall any regular or special assessment for common expenses payable by any owner be due less than 30 days from the date the notification is mailed to the owner(s).

5.6 Payment of assessments for common expenses. On or before the date each Assessment for common expenses is due, the Owner(s) of each lot shall be required to and shall pay to the Association an amount equal to the Assessment for common expenses per Lot, multiplied by the number of lots owned by the Owner. The Association shall, upon demand at any time, furnish to any Owner liable for said Assessment a certificate in writing signed by an officer of the Association setting forth whether said Assessment has been paid. Such certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid.

5.7 Enforcement. If any Owner fails to pay any Assessment for common expenses when due, the Association shall have the rights set forth in Paragraph 7.1, including, but not limited to the charging and collection of interest, the recording of a Claim of Lien and the foreclosure of the same.

5.8 Maximum assessments. Notwithstanding anything contained herein or to the contrary, the regular Assessment for common expenses per Lot may not be increased by more than twenty-five (25%) percent over the prior year's regular Assessment, without the approval of a

majority of the votes cast by the members voting.

6. MAINTENANCE & SERVICES

6.1 Exterior Maintenance. Should an owner fail to maintain the appearance of their property, including any structure, in accordance with the general standards of the community of Cumberland Lakes, the Association, acting through the Architectural & Environmental Compliance Committee (AECC), may take the following actions: 1) The Architectural & Environmental Compliance Committee shall give the owner written notification of the deficiency(ies). The owner will be given thirty (30) days to comply or appeal to the Board. 2) After thirty (30) days, the Board will provide written notification to the owner giving the owner thirty (30) days to correct the deficiency (ies). 3) If, after the 30 day period allowed by the Board, the owner has neglected or refused to begin correcting the deficiency(ies), the Board, at the owner's expense, may, but is not required to take remedial action as may be necessary and/or levy a fine (See Section 10.4 for Enforcement).

6.2 Assessment of Cost. The cost of such exterior maintenance shall be assessed against the lot or living unit upon which such maintenance is done and shall be added to and become part of the Assessment or charge to which the Lot or living unit is subject under Article 5 hereof and, as part of this Assessment, it shall be a lien and obligation of the Owner and shall become due and payable in all respects as provided in Article 5 hereof. Provided that, the Board, when establishing the Assessment against each lot or living unit for any assessment year as required under Article 5 hereof, may add to the Assessment the estimated cost of the exterior maintenance for that year but, thereafter, shall make such adjustment with the Owner as is necessary to reflect the actual cost hereof. There shall be included in the maintenance charges the costs of exterior painting and repairing or replacing of roofs and exterior building surfaces as may be required under paragraph 6.1 above, and of facilities located on the Common Property.

6.3 Access at Reasonable Hours. For the purpose solely of performing the exterior maintenance authorized by paragraph 6.1, the Association, through its duly authorized agents or employees, shall have the right, after reasonable notice to the Owner, to enter upon any Lot or the exterior of any living unit at reasonable hours on any day except Sunday.

As shall be determined by the Board, services which the Association may provide to individual Lots and Living units may include, but are not necessarily limited to security, such as guard patrols, and other miscellaneous services which, in the opinion of the Board, are consistent with the purposes of the Association. 7.1 Monetary Defaults and Collection of assessments.

7.1.1 **Late Fees.** Late Fees will be assessed as of July 1st or sixty (60) days after the assessments are mailed, which ever is later, for the assessed year. Fees will be at the rate of ten percent (10%) of unpaid assessment(s) and interest shall accrue at the maximum rate allowed by law. The late fee will be assessed after July 1st until all assessments are current.

7.1.2 **Collection.** In the event any Owner fails to pay any Assessment or other moneys due to the Association within thirty (30) days the Association may take any action deemed necessary in order to collect such assessments or moneys including, but not limited to, retaining the services of a collection agency or attorney to collect such assessments or moneys, initiating legal proceedings for the collection of such assessments or moneys, recording a claim of lien as hereinafter provided, and foreclosing same in the same fashion as mortgage liens are foreclosed, or any other appropriate action, and the Owner shall be liable to the Association for all costs and expenses incurred by the Association incident to the collection of any Assessment or other moneys owed to it, and the enforcement and/or foreclosure of any lien for same, including reasonable attorneys' fees whether or not incurred in legal proceedings, and all sums paid by the Association for taxes and on account of any mortgage lien and encumbrance in order to preserve and protect the Association's lien. The Association shall have the right to bid, in the foreclosure sale of any lien foreclosed by it for the non-payment of any assessments or monies owed to it. If the Association becomes the Owner of any lot by reason of such foreclosure, it may offer such lot for sale. If the Association decides to sell such lot within ninety (90) days after the foreclosure closing, it need not comply with Section 2.12; however, any future sale must comply with the approval requirements of Section 2.12. The sale of any lot must be publicly advertised.

All payments received by the Association on account of any assessments or moneys owed to it by any Owner, shall be first applied to payments and expenses incurred by the Association, then to any unpaid assessments or moneys owed to the Association in the inverse order that the same were due.

7.1.3 Lien for Assessment and Moneys Owed to Association. If the assessments are not paid on the date when due (being the dates specified in Section 7.1.1 hereof), then such assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the property which shall bind such property in the hand of the then Owner, his heirs, devisees, personal representatives and assigns. The Lot Owner agrees that it shall be liable for and promptly pay as and when due to the Association all assessments and special assessments as provided in the Article of the Association and the By-Laws. The Lot Owner agrees and understands that in the event that a Lot Owner fails to make payment as and when due, the Association shall have the right to record a lien against the Lot Owner's Lot in the form of a statement signed by the President, Vice President, or Attorney of the Association in recordable form. The Association shall have the right to enforce the lien in the manner provided under Tennessee law for foreclosure of mortgage liens. The Lot Owner shall pay interest on the amount owed at the highest rate permitted by law and all court costs and attorneys' fees incurred in collection, as well as all fees incurred in foreclosure of such lien.

7.1.4 Transfer of Lot After Assessment. The Association's lien shall not be affected by the sale or transfer of any lot, and in the event of any such sale or transfer, both the new Owner and the prior Owner shall be jointly and severally liable for all assessments, interest and other costs and expenses owed to the Association which are attributable to any lot purchased by or transferred to such new Owner.

7.1.5 Subordination of the Lien to Mortgages. The lien of the Association for assessments of other moneys shall be subordinate and inferior to the Institutional Lender or Mortgage holder recorded prior to the recording of a Claim of Lien by the Association. The sale or transfer of any lot by the foreclosure of a first mortgage or by deed in lieu thereof, shall extinguish the lien of the Association as to any assessment, interest, expenses or other moneys owed to the Association which became due prior to such sale or transfer, unless a Claim of Lien for same was recorded prior to the recording of the mortgage, and neither the mortgagee, nor any purchaser at a foreclosure sale, nor their grantees or successors, shall be responsible for said payments but they shall be liable for any assessments due after such sale or transfer.

7.1.6 No Set-Offs. No Owner shall have the right to set-off or reduce any assessments for common expenses by any claims that such Owner may have or may claim to have against the Association.

After such fifty (50) year period, unless sooner terminated as provided above automatically extended for successive periods of ten (10) years each, until Members representing one hundred (100%) percent of the votes of the entire membership of the Association execute a written instrument declaring a termination of this declaration (as it may have been amended from time to time). The Association is hereby reserved an access easement across all lots, tracts or parcels fronting said bodies of water so that said Conservation Easements and the lakes may be maintained continuously by the Association. Boating docks may be constructed over the Conservation Easement, subject to approval by the AECC. The foregoing shall also apply to any replacements of any such roadway, drainage way, water lines, sewer lines, utility lines or structure if same are constructed in substantial conformance to the original. 10.2 **Review by Committee.** The Committee shall review all proposed construction, modifications, or alterations to existing structures, and shall be guided by the following standards of environmental control:

The Committee may require execution of standard "Pledge Agreement" as part of the evidence of financial resources.

10.2.4 **Completion of Construction.** Once AECC approval has been obtained, and any required governmental permits issued, the owner has twelve (12) months to complete the exterior construction. However, if at the end of the twelve-month period,

construction has been continuous and is on going, the owner will be automatically granted a six (6) month extension upon requesting the same in writing to the AECC.

No approval of plans, specifications, or request for permission to make improvements to property and no publication of design standards pursuant to the terms of the Declaration of Covenants and Restrictions for Cumberland Lakes (the Declaration) by the Architectural Environmental Compliance Committee (AECC) shall be construed as representing or implying that such plans, specifications or standards will, if followed, result in properly designed improvements. Such approvals and standards shall in no event be construed as representing or guaranteeing that any Living Unit or other improvement built in accordance therewith will be built in a good workmanlike manner. The Cumberland Lakes @ Cumberland Cove Unit 201 Property Owners Association, Inc. (the Association) and the AECC shall not be responsible or liable for (i) any defects in any plans or specifications submitted, revised, or approved pursuant to the terms of this Declaration; (ii) any loss or damages to any person rising out of the approval or disapproval of any plans or specifications; (iii) any loss or damage arising from the non-compliance of such plans and specifications as with any governmental ordinances and regulations; (iv) any loss or damage arising from failure of the Association to inspect the permitted improvement; nor (v) any defects in construction undertaken pursuant to such plans and specifications. The Cumberland Lakes building rules are not intended and shall not create any rights in any third party.

10.3 Attorneys' Fees. In all litigation involving architectural control, environmental control, or the enforcement of these Covenants, Restrictions, or the Uniform General Requirements, the prevailing party shall be entitled to collect and shall be awarded attorneys' fees and court costs.

10.4 Enforcement and Complaint Handling. As stated in 10.1, the AECC has the power to request compliance with all provisions of Article 6, Article 9 and this Article 10 of this declaration. Complaints received by the Association that covenants in this declaration are being broken will be referred to the AECC to investigate the complaint. Should the AECC determine that a violation has occurred; the Owner will be given 30 days written notice to correct the violation or appeal to the Board. After 30 days, the Board will provide written notification to the owner giving the owner thirty days to correct the deficiencies. If, after the thirty day period allowed by the Board, the owner has neglected or refused to begin correcting the deficiencies, the Board, at the owner's expense, will take such remedial action as may be necessary and/or levy a fine. This section is not intended to impair the right of individual owner(s) to seek enforcement of these restrictions.

10.5 Variances. The Board of Directors of the Association or the AECC appointed by the Board may, with the approval of the appropriate governmental authority, if any, approve variances to the requirements of Sections 9 and 10.

11. AMENDMENT

11.1 This declaration may be amended upon the approval of a majority of the votes cast at duly called meeting with a set quorum, but not less than fifty one (51%) affirmative votes of the Members of the Association. 12.2 Severability. The invalidation in whole or in part of any of these covenants, conditions, reservations and restrictions, or any section subsection, sentence, clause, phrase, word or other provision of this declaration shall not affect the validity of the remaining portions which shall remain in full force and effect.

12.3 Validity. In the events any court shall hereafter determine that any provisions as originally drafted herein violate the rule against perpetuities, the period specified in this declaration shall not thereby become invalid, but instead shall be reduced to the maximum period allowed under such rules of law.

12.4 Notices. Any notice required to be sent to any Member or Owner under the provisions of this declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person who appears as Member or Owner on the records of the Association at the time of such mailing.

12.5 Enforcement. The Board must take appropriate action to enforce its written request (see Section 11.4) to correct violations. The two options available are to impose a fine and/or initiate legal action.

12.5.1 The Board may enforce these Covenants by imposing a fine against the Owner for failing to comply with the Boards' written request to correct any violations of these Covenants or Restrictions. The Board may fine an Owner up to three (3) times for refusing to correct a violation. The amount of any potential fines must be included in the initial letter, from the Board, to the Owner. The Owner must be given 30 days written notice to correct a violation. After the 30day period expires the Owner will be sent a second (2nd) letter giving notice that a fine has been levied. The Board has the option to levy two (2) additional fines after giving 30 days advanced notice. The amounts of each of the three fines must be established at the beginning of the Board's term for the year, and cannot be changed. No fines may be imposed without the positive vote of the Board. Fines are secured and enforced under same terms as assessments. The Board will file a lien after the third fine for any one violation on any Lot of any Owner for unpaid fines.
