

Kicked off 2024 with a SOUPER potluck tonight! 11 crockpots of soup plugged in and we didn't even trip the circuit! Gloomy weather is a great time to share soup! We absolutely loved all the soups, salad, breads and desserts. We truly appreciate our neighbors and wish everyone a very SOUPER new year

SNOWMAN SOUP!

Baby It's cold outside,
so here's a little cocoa to
warm you up inside.
